Installation Instructions

1. Download the installer file [INSPECT_PBEE_INSTALLER.exe] from the following link:
<https://github.com/alhamaydeh/INSPECT-PBEE/tree/master/bin>

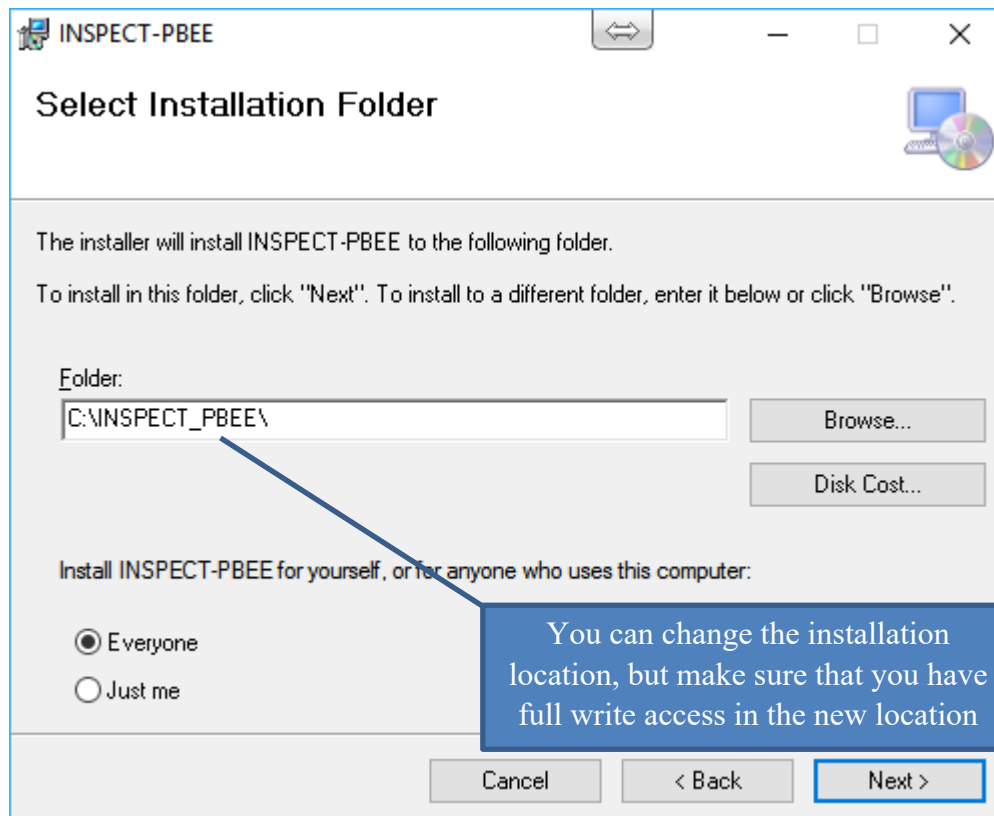

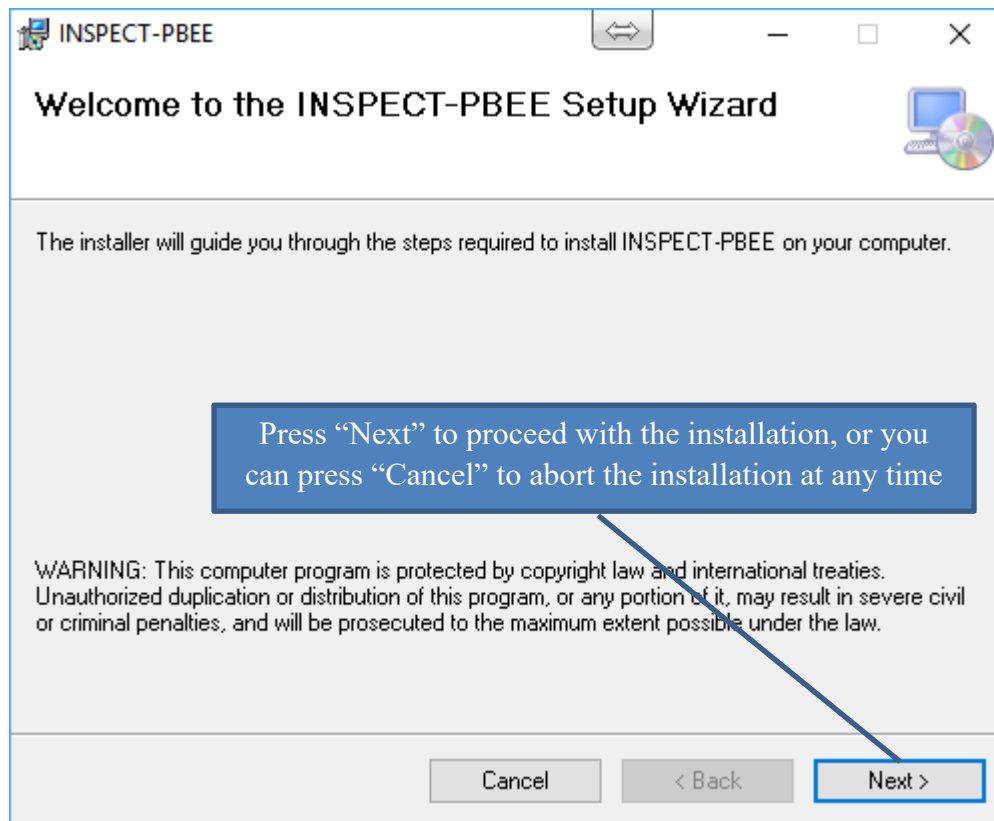

Copy and paste the link to your browser to download the file to your local hard drive.

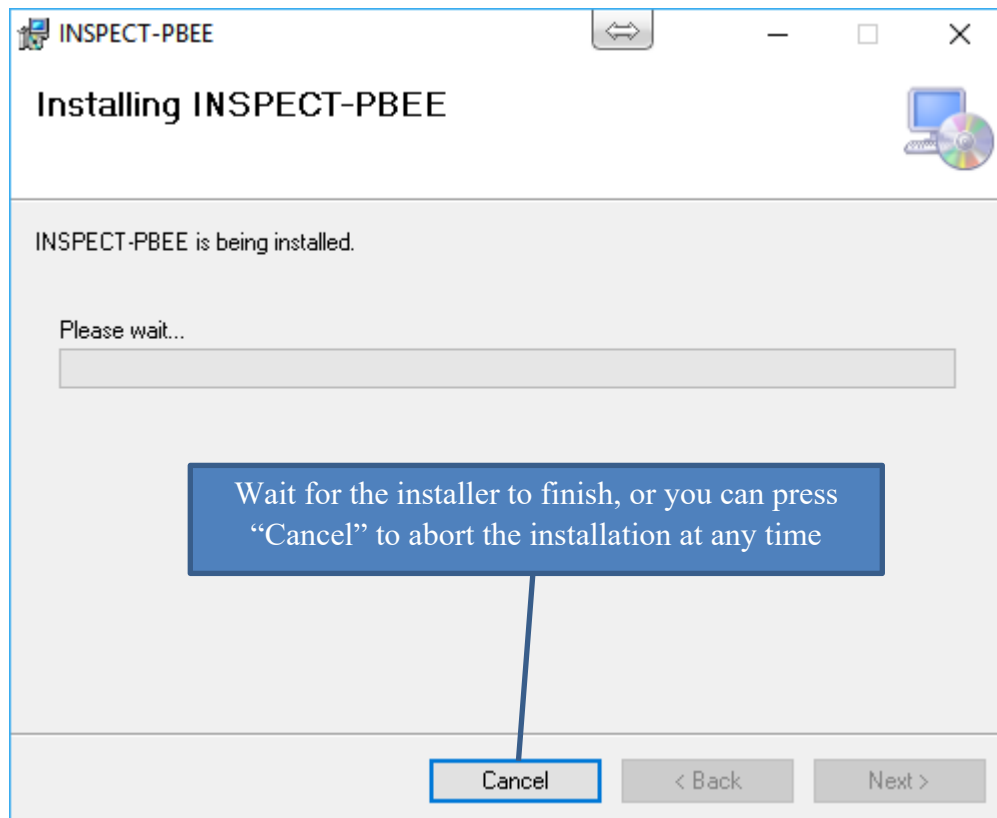

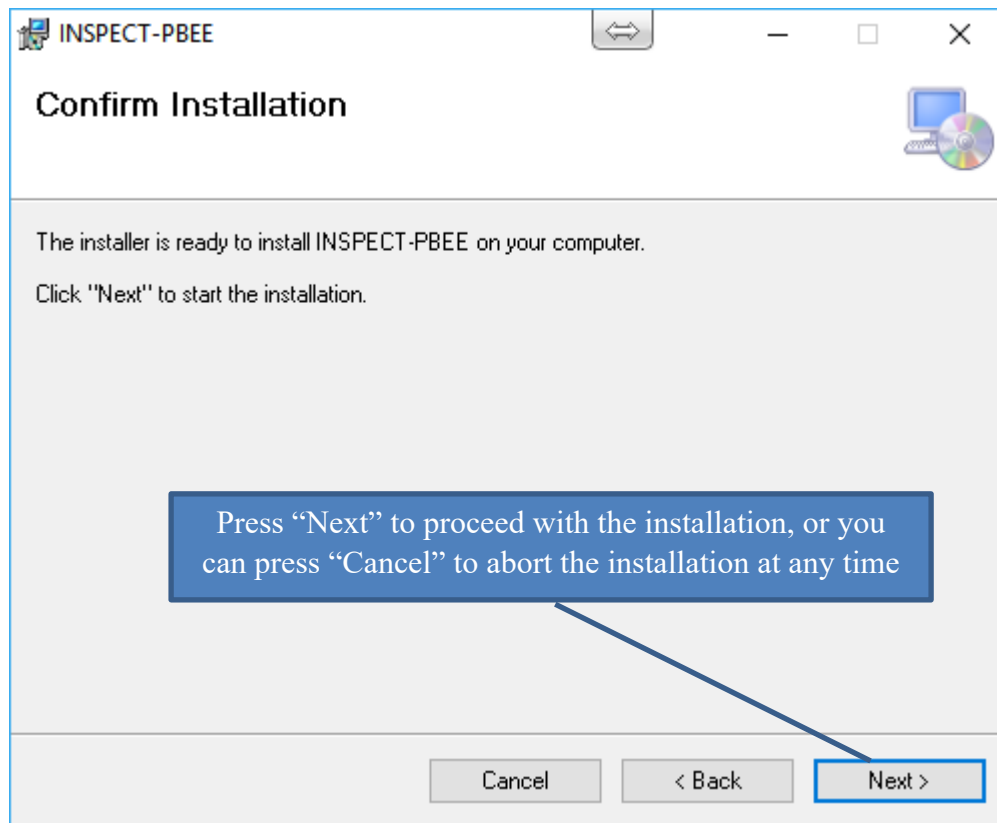

2. Make sure that you uninstalled all previous versions of INSPECT, if applicable.
3. Run the installer by double-clicking on the file.
4. If you get any security warning that the file is downloaded from the internet click “Run.”
The following is an example of the security warning message that may appear; it may look slightly different depending on your OS or/and security programs installed.

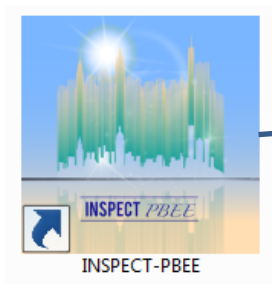

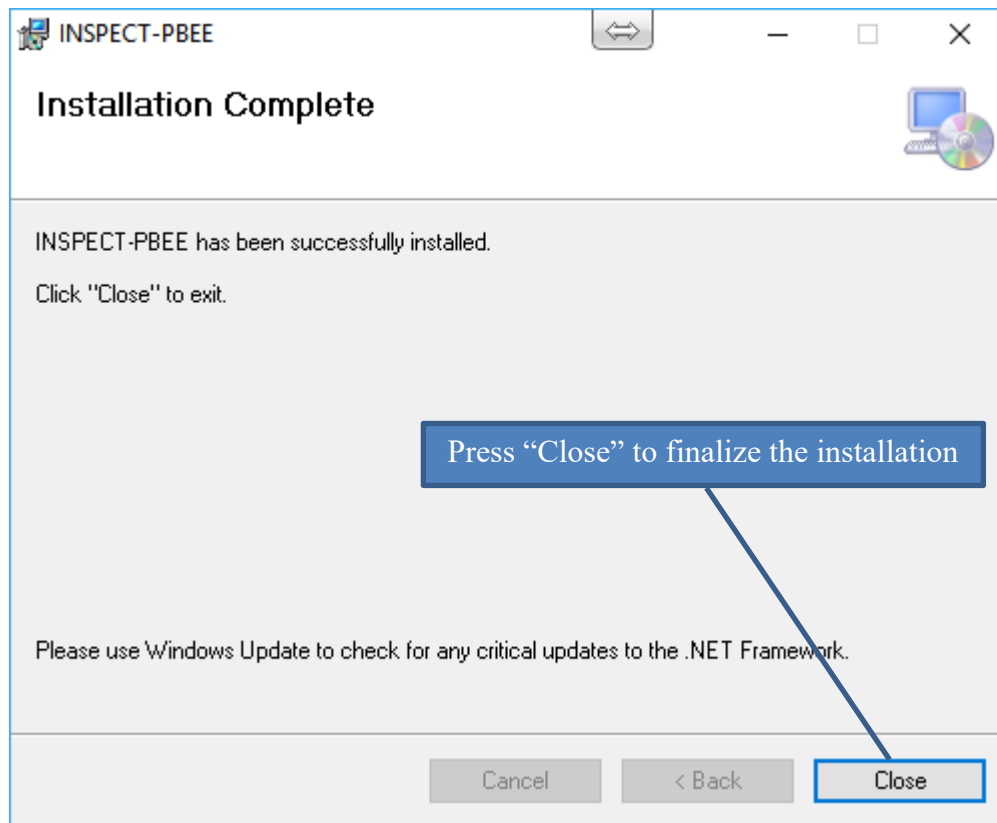

Press “Run” to proceed with the installation, or you can press “Cancel” to abort the installation at any time

5. Follow the installation wizard:

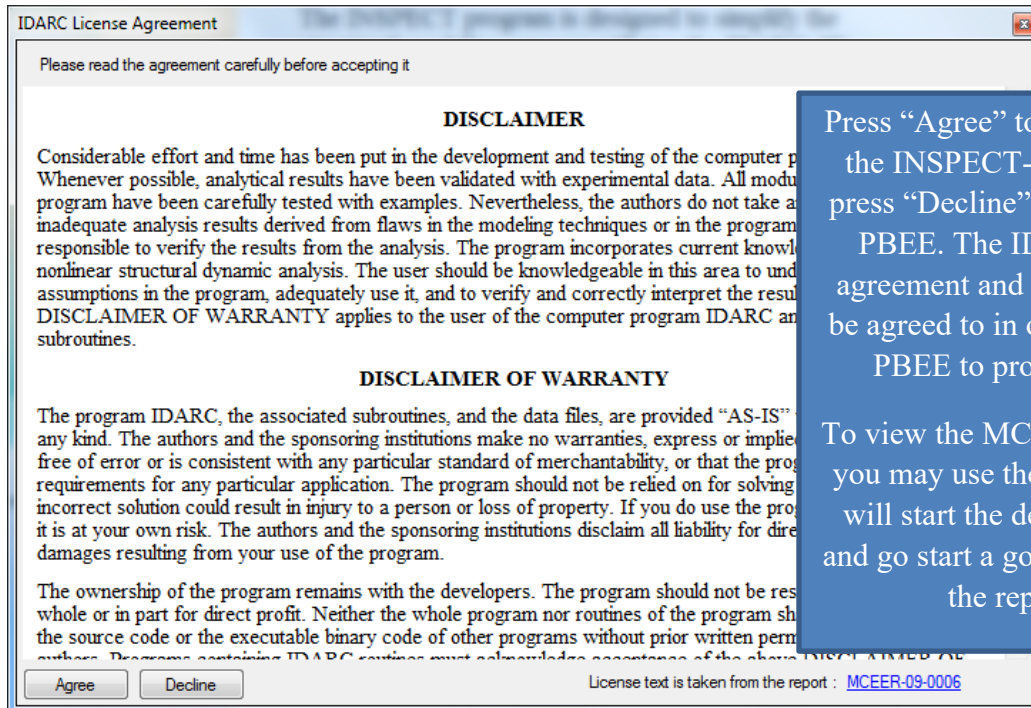

The INSPECT-PBEE program icon should appear in your desktop, double-click it to run INSPECT- PBEE

Initial Run Instructions

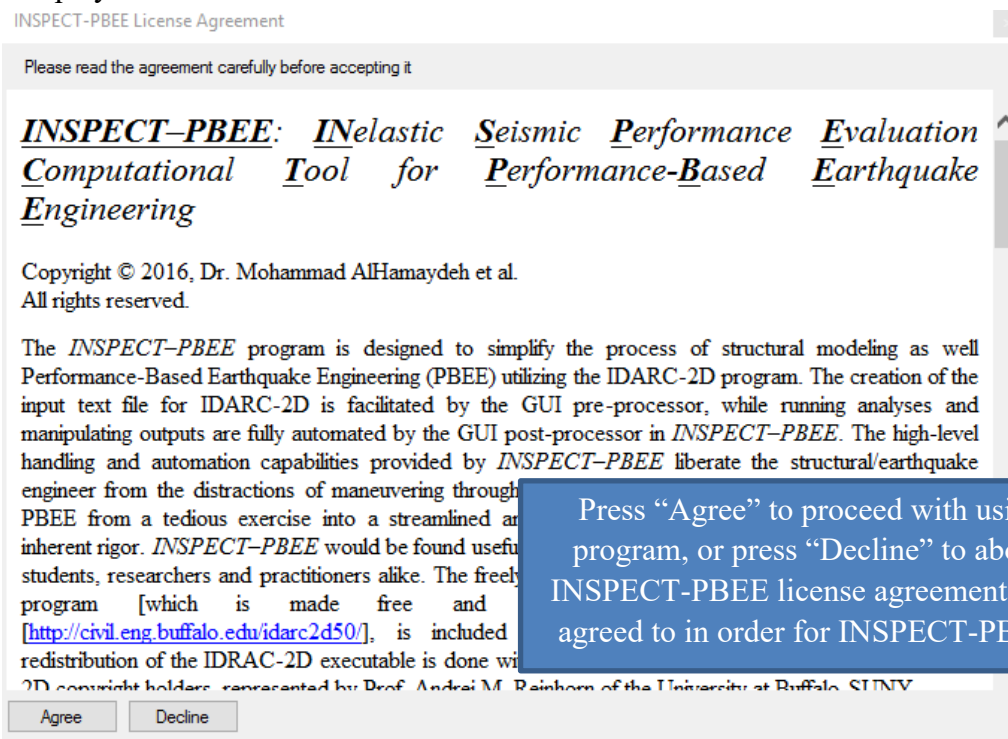

1. Once INSPECT-PBEE installation is completed successfully, double-click on the INSPECT-PBEE icon to run it.
2. Upon first run, INSPECT-PBEE will display the IDARC-2D license agreement and disclaimers:

Press "Agree" to proceed with using the INSPECT-PBEE program, or press "Decline" to abort INSPECT-PBEE. The IDARC-2D license agreement and disclaimers have to be agreed to in order for INSPECT-PBEE to proceed to running.

To view the MCEER-09-0006 report you may use the link to the right; it will start the default web browser and go start a google search page for the report online.

3. Upon accepting the IDARC-2D license and disclaimers, the INSPECT-PBEE license agreement is displayed:

Press "Agree" to proceed with using the INSPECT -PBEE program, or press "Decline" to abort INSPECT-PBEE. The INSPECT-PBEE license agreement and disclaimers have to be agreed to in order for INSPECT-PBEE to proceed to running.

4. Once the IDARC-2D and INSPECT-PBEE agreements have been accepted, the user will not be prompted subsequently.
